Breast Cancer Awareness Month is well underway and if you've been seeing pink everywhere and wondering how you can get in on the charitable fun, then I've got a few things for you. But before you click through to get the full scoop, mark your calendars for Oct. 20 when all Bloomigdale's locations will be hosting the first annual Ready, Set, Pink! event, a totally pink night with pink drinks, music, and special guests.

## Casey's Cupcakes

It's a bit of a drive, but visiting [Casey's Cupcakes](#) (303 Broadway St., Laguna Beach, [949-715-8245](#)) — the cupcake store owned by winner of Food Network's **Cupcake Wars** Casey Reinhardt — will be worth it both in terms of philanthropy and taste. All month, Casey's is offering a special pretty in pink cupcake that looks and tastes delicious. The best part is that one dollar from the sale of each cupcake, \$3.50 each, will be donated to the Breast Cancer Research Foundation.
