MEET

## Long Beach Convention & Entertainment Center (Long Beach, CA)

This meetings powerhouse continues to evolve, even after a \$40 million renovation and upgrade. This fall it will unveil The Cove, a turnkey meeting space below the Terrace Theatre. It will feature LED crystal chandeliers, decorative starfish, and more.

STAY

## The Mission Inn Hotel & Spa (Riverside, CA)

Just named "Best Historic Hotel" by *USA Today*, this 238-room Spanish Mission-style property first opened in 1903, and while maintaining its connection to the past, doesn't skimp on luxurious offerings. These include two art galleries, a relaxing swimming pool and Jacuzzi, lush gardens, and seven food-and-beverage outlets.
